Our story

Since 1990, RBK is a major player in industrial supply. Our historical specialization in bearings has allowed us to work with all industries. Over the years, our export activity has been developed thanks to the renewed confidence of our international customers in search of centralization of their foreign purchases. Today, we have built strong partnerships with several brands of industrial spare parts equipment manufacturers.

RBK
Roulements Bearings Kugellager

We have a workshop for the transformation (change of clearances, conifcation, pairing....), manufacture, and renovation of all types of bearings.

Our commercial offices in Croissy-Sur-Seine

The warehouse - store in Villers-Saint-Paul

With RBK Linéaire we offer you a high-quality technical service via our workshop for rail cutting and finger-jointing, as well as precision guide shaft cutting and processing.

Our services :

- Sizing according to specifications
- Large stock
- Workshop for cutting / finger-jointing / machining to plan
- Library on request

We are proactive in the fight against counterfeiting and we commit ourselves to work only with official manufacturers and/or distributors.

From monday to friday
8:30am - 12:30
1:30pm - 5:30pm

 - GROUPING / STANDARD: Via our approved freight forwarder or or delivered to your forwarding agent

Our business areas

MINING

OIL & GAZ

FOOD INDUSTRY

CONSTRUCTION
& PUBLIC WORKS

AERONAUTICS

AUTOMOTIVE

ELECTRO-MECHANICAL

Our products

non-EXHAUSTIVE LIST...

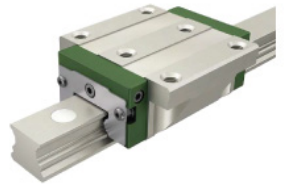

BEARINGS

- Tapered roller bearings
- Cylindrical roller bearings
- Spherical roller bearings
- Ball bearings
- Self-aligning ball bearings
- Angular contact ball bearings
- High precision bearings
- Thrust ball bearings
- Spherical roller thrust bearings
- Self-aligning bearings

SCHAEFFLER

LINEAR GUIDANCE

Cutting and finger-jointing to the 100th according to plan within 1 week in our workshop in Oise, France.

- Rails
- Shafts
- Skids
- Bushings
- Ball screws

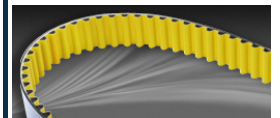

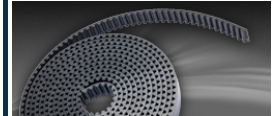

MECHANICAL POWER TRANSMISSION

- Transmission chains
- Adapted chains
- Lifting chains
- Handling chains
- Other chains
- Sprockets, wheels and discs
- Transmission belts
- Belt tension testers
- V-belts (narrow, classic, twin)
- Synchro belts (toothed, flat, notched)
- Power belts
- Additional products ...

MOTORIZATION

- Electric motors
- Frequency inverters
- Direct current drives
- Geared motors
- Hydraulic motors
- Pumps

ELECTRICAL MATERIALS

- Electrical Consumables
- Transformer
- Generator set
- Vibrating motor
- Welding group

PERSONAL PROTECTIVE EQUIPMENT

- Special Collection for Women
- Head Protection
- Body Protection
- Foot Protection
- Hygiene

LUBRICANTS PRODUCTS

- Lubricating oils
- Industrial oils
- Form release agents
- Lubricating greases
- Spray products
- Degreasers and cleaners
- Antifreeze cooling liquid

WATERPROOFING AND FILTERS

- O-rings
- Lip seals
- Cylinder seals
- Copper seals
- Metalloplastic seals
- Fiber seals
- Cutting of seals to size
- Mechanical seals
- All possible materials ...
- Nilos rings
- Filters for all industries

PIPES - FITTINGS

- Push-in fittings
- Cap Fittings
- Universal couplings with bi-cone ring
- Pneumatic fittings
- Connection accessories
- Quick couplings
- Valves
- Tubes and hoses ...
- Technical hoses
- Sprinkler hoses
- Spiral hoses
- Sheaths
- Flat hoses
- Straps and flexible panels
- Rubber hoses and mats
- Hose reels and guns
- Fittings and clamps ...

DRILLING & DEMOLITION

- Equipment and spare parts
- spare parts
- Pumping equipment
- Drilling consumables : Tricone - Spike
- Cutter

TOOLS

- Cordless tools
- Corded
- Handheld

HYDRAULICS

- Pumps
- Motors
- Cylinders
- Distributors
- Pressure limiters
- Flow limiters
- Hoses
- Network accessories
- Solenoid valves
- Pressure gauges
- Fittings ...

PNEUMATIC

- Air treatment
- Cylinders
- Distributors
- Flow limiters
- Network accessories ...

HANDLING

- Special fabrication on plan/ specifications
- Lifting equipment and accessories (screwing rings, welding rings, slings/ lifting clamps - lifting devices)
- Lashing equipment and accessories (screwing rings, welding rings, integrated rings - chains & lashing straps)
- Load turners

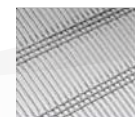

CONVEYOR BELTS

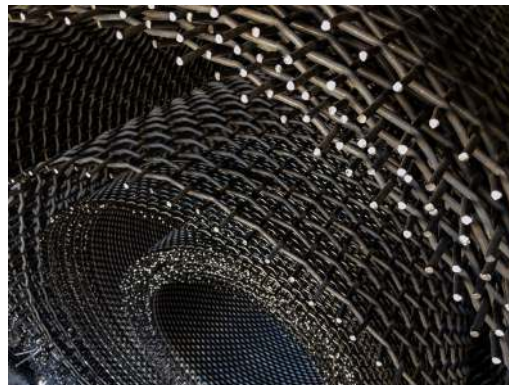

- Textile band
- Metal Belt
- PVC / Food tape
- Mud flaps & Gluing accessories
- Belt cleaning system: Scrapers, Stone trap
- Conveyor belt sealing
- Mine rollers
- Drums

STEEL WOVEN WIRE MESH

- Grids, classic steel and stainless steel
- Anti-clogging cloths
- Polyurethane cloths
- Accessories
